

## For Finishing grades 4-6 • JUNE 13-16, 2018

Community Main Street and Mill Race, with educational assistance from the John Pappajohn Entrepreneurial Center, will once again host a Lemonade Day Entrepreneurial Camp on June 13-16, 2018. During the camp, students will break into groups to learn valuable entrepreneurial skills as they create a lemonade stand business. Each group will also be paired with a mentoring downtown Cedar Falls storeowner. On Saturday, June 16th, groups will have the opportunity to team with their mentor to “run” their business out of a storefront in downtown Cedar Falls. (One parent volunteer for each group will be required for the group to conduct their business). All proceeds raised will be donated to a local charity of the student group’s choice. The group that earns the most funds will be featured in the CMS newsletter and press releases. Camp size is limited so early registration is recommended! A sack lunch and snacks will be provided Wednesday & Thursday. Contact Community Main Street at 277-0213 or cmsinfo@cfu.net for more information. Students must attend all camp sessions as follows:

**June 13-14, 8am-4:30pm • UNI Business & Community Services  
Building June 15, 8am-11am • UNI Business & Community Services  
Building June 16, 10am-11:30am • Downtown Cedar Falls**

Cost to register for all four days is \$35 per student. If you need financial assistance, scholarships are available. Call Community Main Street for more information (319) 277-0213. Registration form and payment should be sent or dropped off at the Community Main Street office: 206 Main Street Suite B, Cedar Falls, IA 50613 on or before May 4th, 2018. Checks can be made payable to Community Main Street.
